**PATH TO CITIZENSHIP**

**OVERVIEW**

The EB-5 Immigrant Investor Program is the United States' route to permanent residence — a green card — through investment. It is the option for clients whose goal is America specifically: the right to live, work, study and retire anywhere in the country, with no employer, sponsor or fixed location required.

**INVESTMENT ROUTES**
**Targeted Employment Area (TEA) Project**
**USD 800,000**

Invest \$800,000 in a project located in a rural or high-unemployment area. The route most EB-5 investors use, as it qualifies at the lower amount.

**Standard-Area Project**
**USD 1,050,000**

Invest \$1.05 million in a project outside a Targeted Employment Area. Each route must create at least ten qualifying US jobs.
